Develop Baseline Initiative, Data and Engagement Strategy for Women in Fisheries

Location :	Suva, Fiji
Application Deadline :	24 January, 2021
Type of Contract :	Individual Contract
Post Level :	National Consultant
Languages Required :	English
Duration of Initial Contract :	3 months
Expected Duration of Assignment :	1 February to 30 April, 2021

Background

The Women in Fisheries Network-Fiji (WiFN-Fiji) is a local NGO committed to strengthen and empower women who are engaged in the fisheries sector in Fiji, and effectively disseminate information on sustainable fisheries methods and approaches.

Scope of work

The WiFN-Fiji is currently recruiting a consultant to develop its baseline initiative, data and engagement strategy for Women in Fisheries.

The objective of this consultancy is as follows;

1. Conduct secondary research to contribute to the development of a baseline initiative that will determine the number of women active in the fisheries sector (inshore) across Fiji.
2. Develop a data strategy and engagement plan that will coordinate and consolidate empirical sex-disaggregated data
3. Develop a “women in the formal fisheries sector” engagement strategy to amplify and advance the work of the Network

Requirements

Interested individual consultants must include the following documents when submitting the Proposals:

- Indicate in their Curriculum Vitae all past experience from similar projects, as well as the contact details (email and telephone number) of the Candidate and at least three (3) professional references
- Brief description of why the individual considers him/herself as the most suitable for the assignments, and a plan on how they will approach and complete the assignment with timelines
- Financial Proposal that indicates the all-inclusive fixed total contract price, supported by a breakdown of costs.
